At Chesterfield County Department of Mental Health Support Services (CCMHSS), Chester House is a psychosocial rehabilitation program or clubhouse for adults who have experienced serious and persistent behavioral health disorders. Employment is a cornerstone of the Chester House program. Members who are interested in joining or returning to the workforce have several options available to them at Chester House. At the program, members and staff share the responsibility of developing an atmosphere of self-sufficiency, growth and recovery through meaningful relationships, social opportunities and employment.
