Roberts Home Medical offers expertise in manual and power wheelchairs, seated positioning systems, standers, ADL, ambulation aids, and the latest in custom rehab equipment. We are a member of the MED National Rehab Network which is comprised of companies specializing in rehabilitation and assistive technology and known for their expertise, product knowledge, and dedication to meeting the needs of customers and referral sources.

Roberts is a MED Certified Repair Center with specifically trained and authorized staff to work on the products we provide. The Certified Repair Centers Program is a national network of top-quality repair and service facilities supporting today's complex rehab manual and powered wheelchairs. CRC Technicians are tested and certified.

Whether you are a consumer looking for Rehab Technology products and services for yourself or a family member; or a therapist, case manager, nurse, physician or other Allied Health Professional seeking technology support for your clients - you can look with confidence to Roberts Home Medical.
