Virginia Easy Access is the name of a portal developed for seniors, adults with disabilities, their caregivers and the providers that support them. Virginia Easy Access is full of helpful information about services and supports that are available

across the Commonwealth.

Virginia Easy Access is the gateway to the VirginiaNavigator provider database. The provider database will help people find local services and supports. The database is constantly updated in order to make sure the most comprehensive list of providers is available. Virginia Easy Access is supported by 2-1-1 Virginia. People can ask questions by e-mail and get a response back from the 2-1-1 call center operators.
