The Free Health Clinic provides free medical, vision, and dental care to the uninsured people in King William, King & Queen, Essex, and counties in the Northern Neck. Volunteers include doctors, nurse practitioners, dentists, oral surgeons, hygienists, nurses, and front desk staff, who are currently available to the clinic.

Pharmaceutical assistance is available through the Prescription Assistance Program. Medications are dispensed through the King William Pharmacy. Referral services for much-needed specialist care are made available through Access Now.

All care is by appointment only.
