Senior Services of Southeastern Virginia offers a Homemaker Program. If you are 60 or older and need help around the house during a period of illness or recovery, you can take advantage of Senior Services' Homemaker Program.

Senior Services can connect you to a licensed professional who can help with such tasks as housekeeping or preparing a meal. This service is available Monday through Friday.

If your income is at the Federal Poverty level, there is no fee charged. If your income is higher, an hourly fee is assessed based on your income.

For more information and to start the process, please call one of our Resource Specialists at 757-461-9481.
