National Alliance on Mental Illness (NAMI) provides support, education and advocacy for individuals, their families and others who are affected by mental illness. Offers support groups and educational programs. VOICE newsletter is available. Please call about membership to help eliminate the stigma of mental illness.

Call the office for information about mental health education:

Family to Family education program is a free, 12-week course for family caregivers of individuals with severe mental illnesses such as Major Depression, Bipolar Disorder, Schizophrenia, Panic Disorder, Addictive Disorders and Obsessive Compulsive Disorder.

"NAMI Basics Education Course" is an education course for parents and other caregivers of children and adolescents living with mental illness. There is no fee. Pre-registration is required.
