National Alliance on Mental Illness (NAMI) provides support, education, and advocacy for individuals, their families, and others who are affected by mental illness. Offers support groups and educational programs. VOICE newsletter is available. NAMI Family-to-Family is taught by NAMI-trained family members who have been there

and includes presentations, discussions, and interactive exercises.

Call the office for information about mental health education:

Family to Family education program is a free, 8-week course for family, caregivers of individuals with severe mental illnesses such as Major Depression, Bipolar Disorder, Schizophrenia, Panic Disorder, Addictive Disorders, and Obsessive Compulsive Disorder.

Please call about membership to help eliminate the stigma of mental illness.
