Medicaid

Languages Spoken

English

Clearr Vission Support Services provides a center-based, planned day program with a pre-vocational track for individuals with developmental disabilities. Participants are involved in activities that promote social functioning and independence. Skills are also promoted that help maintain health such as self-care, hygiene, meal preparation and medication management. Recreational and social activities are jointly planned by participants with the staff. Activities provide opportunities to build basic skills for employment and independent living such as carrying out tasks, becoming a member of a group, communicating with peers and others and using community resources.

Service Area(s)

Chesterfield County

,

Goochland County

,

Henrico County

,

Richmond City
