If you are interested in learning more about the Puppy Raising program, visit the website <a href="http://www.cdc.guidingeyes.org">http://www.cdc.guidingeyes.org</a> or call 1-666-432-5227 (1-866.432.LABS).

Without puppy raisers, there would be no guide dogs. Puppy raisers provide the foundation, starting with a young puppy, teaching good manners and exposing the pup to everyday life. Puppy raisers enjoy learning about dog care and training as well as experiencing the fulfillment that comes from giving of yourself to help another.
