The Breast Center at The Cancer Center at Lake Manassas is an accredited breast center by the Nationally Accredited Program for Breast Centers (NAPBC). The Breast Center offers a personalized approach to care recognizing that no two women's breast care needs are the same. From screening and biopsies to diagnosis and treatment every woman is offered customized care.

A breast patient navigator will help you understand your diagnosis, assist in coordinating your care and help ease the burden a diagnosis of breast cancer brings.

Call for information about financial aid, prescription assistance, support groups, etc.

Service Area(s)

Prince William County
