The Bon Secours Richmond Health System participates in the Every Woman's Life (EWL) program, a public health program that helps uninsured, low income women gain access to free breast cancer screening services. Screening and early detection reduce death rates and improve treatment options.

In some sites where EWL services are offered, women can also be screened for high blood pressure, cholesterol, and glucose and also learn how to become more physically active, eat healthier foods, and more This program contracts with screening sites throughout Virginia to provide free mammograms, clinical breast

exams to women who qualify. Tests provided will vary by the age of a woman.

For detailed information about eligibility guidelines [Visit EWL program](#)

Every Woman's Life toll free referral line at 1-866-EWL-4YOU (1-866-395-4968)

Screening is done here at the Watkins Centre. Call for eligibility and more information. Will accept women from any geographic location.
