Professional Education and Respite Service offers respite services. In-home respite is available for a minimum of four hours a day. Note: fewer hours are available but the cost per hour is more. Educational/learning and life skill opportunities are always provided.

Vacation respite is also available. Caregiver can travel with the family or remain at home with your loved one. Enjoy a weekend get-away or a full vacation while your love done is receiving quality care from professionally trained, experienced and

trusted educator.
