Wise County Behavioral Health offers outpatient services for children, adolescents, adults and family. Therapists assist people with mental health, substance abuse and co-occurring substance abuse problems, including depression, anxiety, etc.

Programs provide a therapeutic environment for individuals who have acute or chronic mental or emotional disturbances, who do not require full-time hospital care but who can benefit from a structured environment for some portion of the day or week.

The Crisis Support telephone number is 276-523-8300.
