Brighton Gardens, LLC's Day Support program provides a planned day program for individuals with developmental or intellectual disability. Participants are involved in activities that promote social functioning and becoming part of the community. Skills are also promoted that help maintain health such as self-care, hygiene, eating, toileting, and the management of medication. Recreational and social activities are planned by the members with the staff. The activities provide opportunities for learning how to carry out tasks, becoming a member of a group, communicating with peers and others, learning to get around and using the resources in the community and environment.
