Starfish Savers offers Real Life Social Skills to help individuals with complex disabilities learn age expected communication and skills necessary for success in community settings. Services are individualized to meet the unique needs of each participant.

Programs available for individuals with high functioning Autism, Asperger's Syndrome, Attention Deficit Disorders (ADD and ADHD) and complex disabilities ages three years and up. Training in the development of social and adaptive skills in home and community settings, such as travel training, money management, and job preparation, is provided.
