Personal Homecare in South Hill offers personal care and homemaker services. The home care program is provided under the direction of RN case management. Services allow elderly and disabled persons to maintain their independence. A client services coordinator is on staff to help coordinate the efforts of family and staff members, so we may better serve you.

Certified Nursing Assistants, Geriatric Nursing Assistants, housekeeping, meal preparation and delivery, companions, homemakers, shopping and errands and assistance with activities of daily living are some of the services available.
