SwimRVA at the Collegiate School Aquatics Center offers over 70 exercise classes per week both on land and in our fabulous heated pools. It's never too late to learn to swim. We offer a variety of swim lessons for all ages. Our instructors are trained to work with swimmers of all abilities to develop their skills in a fun, safe, and goal-driven environment. CPR and First Aid classes are offered for the community.

The facility has three year-round heated pools: a 50-meter competition pool, a 24-yard instructional pool, and a HydronWorx therapy pool with 2 underwater treadmills. We also have a fitness room, community room, and a 700 seat grandstand. SwimRVA's mission is health and wellness, sports tourism, competitive swimming, and water safety.
