Appalachian Agency for Senior Citizens (AASC) offers a Free program, Care Transitions, for Medicare beneficiaries. The program aids in the transition from the hospital to home and aims to educate clients on the risk factors for hospital readmission.

Services cover a 4 week time frame and offer understanding and managing medications, recognizing signs of conditions becoming worse, etc.

The Care Transitions program is offered in partnership with Appalachian Agency for Senior Citizens (AASC) and local hospitals to provide additional supports for an individual leaving the hospital and returning home. If you have any questions, please contact: Appalachian Agency for Senior Citizens at 276.964.4915 or email action@aasc.org.
