Lake Christian Ministries (LCM) gives emergency financial assistance by providing direct payments to the provider for fuel, housing, electrical, medical, prescription, and dental needs. Assistance is also provided and coordinated with other organizations for emergencies such as repair of leaky roof, firewood distribution,

emergency transportation, and lodging, etc. In order to be good stewards of the ministry's limited funding and resources, documentation such as pay stubs, electrical cut-off notices, eviction notices, etc. are required, so that assistance is provided to those who are most needy.

Please call for more information.

LCM serves families in northern Franklin and southern Bedford counties as well as that portion of Pittsylvania county bordering Smith Mountain Lake.
