The Mechanicsville Office of Live Hearing and Balance helps you improve your hearing. The staff strives to help patients manage their hearing in concert with their ever-changing personal needs and challenges.

Services include complimentary hearing tests, advanced hearing devices, programming and adjustments, in-office repairs and cleaning; batteries, and more. There are many options for hearing aids: invisible in the ear canal; in the ear canal; in the ear; receiver in the canal or ear; mini behind the ear, etc. There is a 30-day trial. Financing is available.
