Deaf Camp combines a traditional camp experience with lessons in American Sign Language. The youth and adult camp is West River Center, 5100 Chalk Point Road, West River, MD 20778. The West River Deaf Young Adult Camp program brings together a group of Deaf persons 18 years and older with disabilities and volunteers from across the region. A unique faith-based curriculum stands as the central focus to the week, while field trips and other camp activities make for an enjoyable overall experience.

West River Camps: Call or visit the website for dates and rates. Applications are ready in January.
