Equi-Kids offers spring, summer, fall and winter lessons to offer equine assisted activities to disabled community of Hampton Roads. Equi-Kids offers Hippotherapy to individuals as a treatment that uses multidimensional movement of the horse to improve physical condition, neurological function and sensory processing. The programs offer support to individuals with disabilities such as autism, spina bifida, Down syndrome, multiple sclerosis, traumatic brain injury, cerebral palsy, amputation, attention deficit disorder, as well as mental and physical disabilities.

Contact Kathy Chitwood, Program Director at 757.721.7350 for more information or email at kathy.chitwood@equikids.org.

Seasonal lessons include 30 minute private lessons; 45 minute semi-private lessons; or 60 minute group lessons).
