Languages Spoken

English

The Virginia Institute of Autism (VIA) has an Adult Academy that provides learning opportunities for adults and post-high adult students in a low-ratio, success-oriented environment which promotes choices and self-paced involvement. Daily, each individual is given the opportunity to choose from a schedule of learning opportunities within the center or out in the community. Opportunities include meal preparation, housekeeping skills development, volunteering, exercise and sports proficiency, life skills training, and social engagement.

Service Area(s)

Albemarle County

,

Charlottesville City
