Sunrise at Fair Oaks offers short term stays and respite care. Assisted living is the ideal solution for seniors who value their independence, yet need some help with daily activities, such as bathing, dressing and medication reminders. The focus is on individual wellness, and encourage continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. Assisted Living is not only a home like, resident centered alternative to many nursing homes, but at Sunrise, it is a different option to consider when a senior does not require intensive 24 hour skilled nursing care.
