Interfaith Rebuilds (formerly Rebuilding Together Lynchburg) works to preserve homeownership and neighborhoods by providing rehabilitation services free of charge to those in need. Interfaith Rebuilds is a non-profit organization that rehabs the houses of low-income homeowners, particularly those who are elderly or have disabilities, so that they may continue to live in warmth, safety and independence.

Home repair program can include building ramps.

Interfaith Rebuilds also rehabs community centers and conducts home modification and repair programs that focus on elder home safety, energy efficiency, veterans housing and disaster recovery and reconstruction.

Annual rebuilding days are in April. Volunteers repair and restore homes. Call if you are interested in volunteering or if you have a repair need.
