Autism Society, Tidewater Virginia, offers Autism 101. Autism 101 is an educational program that brings together fundamental information about autism and experts on different topics to give anyone who is interested in a primer on autism, from symptoms to treatment and support.

The Autism 101 appointment will last about an hour, is free of charge, and when you leave, you leave with material and a road map. Autism 101 appointments are for resources for individuals with autism of all ages.

Call 757-461-4474 to schedule an appointment.
