Heritage Village offers a new concept in Assisted Living and Memory Care. Assisted living offers seniors the help they need with the tasks of daily living, and encourages their independence and opportunities to live a full and engaging life. Each community has a licensed nurse available as needed. Transportation is available to carry residents to their doctor's office as needed.

Services available include medication management, daily wellness activities, social activities, devotional services, shopping and leisure excursions in the community van; housekeeping and personal laundry service, three nutritious meals in the community dining room every day, and more.

Capacity is 152, including memory care. Welcome Center is now open. Please call 703-468-1895 to make an appointment.
