Skyline and Rehabilitation Center offers rehabilitation services. Physical, occupational, and speech therapies are available, as well as short-term rehab.

Rehabilitation therapy programs help patients rebuild the strength, function, and mobility needed for a successful return home. Comprehensive rehabilitation services are provided in-house.

Their rehabilitation professionals are licensed therapists who are specially trained to meet the complex needs of patients recovering from a wide range of illnesses or injuries.

Skyline is part of Consulate Health Care.

Service Area(s)

Floyd County
