When you need short-term care and rehabilitation services, whether due to an injury or surgery, make the most out of your recovery time and stay in the Sullivan Center at Our Lady of the Valley Retirement Community. Our physical therapists and around-the-clock nurses are here to get you back to 100% as quickly as possible. In the meantime, you'll have access to all that Our Lady of the Valley has to offer including three daily meals in the Sullivan Center dining room, friendly social interaction, planned activities, and comfortable surroundings.

The team of Genesis Rehab Services— an on-site therapy provider—provides physical, occupational, or speech therapy in the Health & Wellness Therapy Center.

Residents at Our Lady of the Valley receive priority admission to the Sullivan Center if they should require recovery assistance before returning to their apartment.
