Ears to You provides audiology and hearing aid services. We profile the scope of a client's hearing and make recommendations based on the results. We provide hearing evaluations, examination, assessment of communication needs, hearing aids (new and reconditioned), hearing aid repairs, assistive listening devices, custom ear molds, hearing protection, swim molds. Service also can include ear wax removal and repair of hearing aid devices.

All services are provided by a licensed and insured audiologist, David Taylor. Services can also be performed in your home or office. Ears to You goes to the patient.
