Event Description

Behavioral Health Provider List will host a provider fair connecting the community with providers of Mental/Behavioral health, Substance Abuse, Intellectual/Developmental, and Geriatric services. This fair will provide 50 behavioral health and other vendors to discuss their services with the community. Come out and engage with several types of vendors, find out who they are, where they are, and what service they provide. Participants can include social workers, faith leaders, case managers, state and local government workers, caregivers, students, family members, military family members, etc. Fair is free to the community.
