CARE customers can benefit from a program with greater flexibility in meeting their mobility needs. "CARE On-Demand" enables CARE customers the option to utilize a same-day, direct, non-stop trip. CARE On-Demand is an optional program open to CARE customers; CARE customers do not have to use CARE On-Demand.

Schedule your trip at least two hours in advance. Trips can also be scheduled farther in advance with greater flexibility. You will need your CARE ID number for booking and your CARE ID card when riding.

CARE customers can choose from two CARE On-Demand partners, RoundTrip and UZURV. With two partners, there are two easy ways to use CARE On-Demand. [Learn about each CARE On-Demand](#)
