Delicate Home Health Care Corp offers companion care, in addition to personal care, respite care, Alzheimer's care and in-home assistance.

Caregivers offer socialization and companionship, including meal preparation, medication reminders, assistance with personal tasks including clothing selection, light housekeeping, laundry, transportation for medical or dental visits, outings and short day trips, visiting friends and neighbors, monitoring dietary needs and eating habits and more. Live-in care is an option that allows an elderly or person with a disability to stay in their own home as long as possible.
