Richmond Area

Event Type

Community event

Event Description

Our annual Parkinsons Dance Community Showcase will be held on Sunday, December 9th from 1-3pm. This is our annual outreach project to the community, including neurologists, physical therapists, media, and interested friends and family. It is our opportunity to showcase what we do in our class to our community and spread the word about our program!! The community is invited to an "open class" where we showcase several of our favorite class dances. This is the annual fundraiser, so we will have silent auctions and promote our project to interested donors.
