Catholic Charities of Eastern Virginia, Inc. (CCEVA) supports individuals in their vital role as a parent. CCEVA has Care Centers on the Southside and Peninsula which offer free diapers and baby supplies to families in need. Case management services are also provided to help pregnant women and new parents make a safe parenting plan and to discuss and address all of the family's needs. Families also receive help in connecting to other available community resources addressing needs such as housing, employment, insurance, and education. The staff follows families for a year to ensure that they are in the best position possible to raise healthy, happy children.
