CANLINK I and IV provides permanent supportive housing to homeless adults with disabilities and includes children when the adults have been accepted into the housing program(s). CANLINK provides on-going case management, in-home, or at LINK and other community sites, dependent upon the type of services the clients are receiving. One/one case management and individualized service/case plans developed at entry by the case manager and the client's help to assist both the clients and case managers in knowing what hurdles the client has to overcome as they begin to work towards self-esteem and self-sufficiency.

CANLINK I places chronically homeless and homeless individuals and families into suitable housing units dependent upon household size/number of persons in the household(s).
