Event Description

International Survivors of Suicide Loss Day (Survivor Day) will be November 23, 2019.

Each year, the American Foundation for Suicide Prevention supports hundreds of large and small Survivor Day events around the world, in which suicide loss survivors come together to find connection, understanding and hope through their shared experience. While each event is unique and offers various programming, all feature an AFSP-produced documentary that offers a message of growth, resilience and connection. There are events taking place in counties of Prince William, Loudoun and Fairfax and in Washington D.C.
