\$0.00

Event Description

Chuck E. Cheese is proud to support families who have children with autism and other special needs. They offer a sensory-friendly experience on the first Sunday of every month at participating locations, opening our stores two hours before their normal opening time. Their Sensory Sensitive events include a trained and caring staff that work to ensure each guest has a fun-filled visit. They realize that the Chuck E. experience can be very stimulating for any child, so our mission is to create an event that allows ALL kids to be a kid. Sensory Sensitive kids welcome. First Sunday of each month.
