Languages Spoken

English

Community Direct Services' Sponsored Residential Program is a unique program that enables an individual with mental disabilities the opportunity to be a part of a family and community as opposed to living in a group home or institution. The sponsor (the individual or family providing services in their home) is responsible for ensuring the customer's health and safety, implementing the Individual Service Plan (ISP), delivering services, coordinating and tracking medical care. Sponsoring a customer can be an exciting and rewarding career opportunity.
