Amyotrophic Lateral Sclerosis (ALS) is a progressive neurodegenerative disease, and we need your help to find a cure. Our mission is to discover treatments and a cure for ALS and to serve, advocate for, and empower people affected by ALS to live their lives to the fullest. The ALS Association's nationwide network of chapters and other

partners provides localized patient and family support in communities across the country. This network of chapter-based professionals delivers a robust portfolio of care and support programs designed to enhance the quality of life and support families affected by ALS.
