Music & Memory is a nonprofit organization that helps individuals with a wide range of cognitive and physical conditions to engage with the world, ease pain, and reclaim their humanity through the use of personalized music. By providing access and education, and by creating a network of Music & Memory certified organizations, their goal is to make the therapeutic use of personalized music a standard of care throughout the health care industry. Visit the website to find training or to learn how to create a personalized music playlist for a loved one at home.
