Fee Structure

Fee Range

At MedStar Georgetown University Hospital they have a range of therapies that can improve the quality of life for patients with ALS. They offer a patient-centered clinic led by neurologists working alongside a multidisciplinary team. Patients may be evaluated by pulmonologists, occupational therapists, physical therapists, speech pathologists, nutritionist respiratory technologists, wheelchair specialists, orthotics specialists, and ALS social workers. To schedule an appointment, call the scheduling line at 202-444-8525. MDA and ALS clinics held on every Wednesday morning 8:30 AM-12:00 PM.
