Latest Virginia COVID-19 Vaccine, Booster Shot & Flu Vaccine Information

Here are some important **Virginia vaccine websites and resources**. These websites are frequently updated based on new information so be sure to check them frequently for updates.

► **Vaccinate Virginia** - Go to www.vaccinate.virginia.gov to learn more, sign up, and find information about booster shots. Additional information is also provided at Immunization in Virginia.

► **What About the Seasonal Flu Vaccine?** - Check the 2024-2025 CDC Seasonal Flu Recommendations for information about this year's flu vaccine and the seasonal flu and COVID-19.

► **Virginia Vaccine Records** - Use the Virginia Department of Health (VDH) COVID-19 Vaccination Record Request Portal to get your COVID-19 vaccine record. You can also obtain your vaccine record with QR code that can then be saved on your phone or printed on paper.

► **Watch Vaccinate Virginia Videos** - Medical experts answer your vaccine questions

Vaccine Resources & Tips

Stay informed - Check the main Virginia VDH website and find answers to your questions at COVID-19 Vaccination FAQs

Be safe - Continue safe practices to prevent getting COVID-19 (i.e., wear your mask, and stay distanced in certain situations).

Be patient... It may take time for the booster vaccines to roll out for everyone who is currently vaccinated. Continue to check the news and reliable websites for accurate information and resources.
