Amazing Hands Health Services is a private residential group home in Virginia. The house is custom-built and designed to meet the needs of people with physical and intellectual developmental disabilities. Each resident has a plan detailing the supports. Their mission-driven healthcare strategy is to support the individuals in group home base residential and recreational settings to enhance their abilities to lead self-directed life by providing the support, guidance, compassion, and information necessary to build in the clients' self-esteem, comfort, and safety.

Residential services provide residential supports to adults with developmental disabilities based on individual needs. The emergency crisis intervention services are available 24 hours per day. In-home services offer 24-hour on-call support for individuals living in the community or with their families.
