Lake Country Area Agency on Aging's Transportation department provides a fleet of vehicles to transport senior citizens to and from Nutrition Sites, Medical Appointments, Service Agencies, and Recreational Activities. Every week the vehicles travel routes and work with Social Service Agencies, Health Department, and other facilities for the elderly.

They provide wheelchair-accessible Medicaid Transportation to all medical facilities. If you have a medical appointment and no way to get there, just call. They do require a 48-hour notice prior to the scheduled appointment time.

They also have Public Bus Systems - LAB (Lake Area Bus) and HART (Halifax Area Rural Transportation). They can pick you up at your door and deliver you to your destination. The cost is \$1.50 per pick-up, and children under the age of three are free. The LAB operates within the town limits of South Hill, LaCrosse, and Brodnax; and the HART within the town limits of South Boston and Halifax.

Service Area(s)

Brunswick County

,

Halifax County

,

Mecklenburg County

,

South Boston City
