Northwestern Community Services offers an array of outpatient, case management, day support, residential and emergency programs that are designed to enhance the quality of life for both children and adults affected by emotional/behavioral disorders, mental illness, substance use, and intellectual disabilities and developmental disabilities (ID/DD).

Northwestern Community Services offers a transportation service for their Mental Health clients. Please call for eligibility and details. The transportation will drive clients from any hospital in the service area to a mental health hospital in the State.

Psychosocial Day Support Programs for persons with serious and persistent mental illness (Sunshine House in New Market). Van transportation services are also available.
