NOVA Scripts Central is a clinic made to help underserved communities access quality healthcare and medication. Their programs include:

- **Educate Before You Medicate (EBYM):** The multilingual team develops culturally competent focused health education content to engage children, adults, and seniors.
- **Medication Access:** This program provides medications to manage chronic illnesses for patients at one our their 16 partner safety-net clinics in Northern Virginia and 300% below the federal poverty level.
- **NOVA Scripts Compass:** The Compass is a free tool to help connect those in need to community resources anywhere in the country.

- Medications SOS: This program helps medical providers navigate prescription drug coverage for Medicaid and find alternative medications if a medication is not covered.
- MedHelp: The MedHelp program helps individuals identify safe and affordable options to get their medications.
- PAVE Immunizations: A collaboration between Mason & Partners Clinic (MAP Clinic), and Fairfax County Public School System to provide free immunizations to help meet the school-based entry requirements for children K-12th grade.
