HaynesView LLC provides residential group home and non-center-based day support services to individuals With developmental disabilities. The programs offer opportunities in residential and community settings for individuals to develop skills that will prepare them to integrate into diverse communities.

The Staff develops and implements Individual Service Plans based on functional assessments, including the individual's interests and needs. The programs provide opportunities for community integration, including transportation. Other services include:

- Assisting with self-administration of medications in accordance with physician's orders,
- Supporting individuals to assure their health and safety,

- Supporting health and physical conditioning,
- Assisting individuals with other medical needs.
