Event Description

Turning 18 in Virginia: What Individuals with Disabilities Need to Consider September 28th | 6:30 pm Turning 18 is a big deal. An 18-year-old is legally considered an adult in Virginia and can make legal, financial, medical, and educational decisions in their life. For some individuals with disabilities, this will not be an issue. Others may need support. This workshop will share basic information about things that need to be considered as your loved one turns 18.
