Burlee Oaks Home Healthcare LLC specializes in servicing the complex medical needs of pediatrics and adults. The nurses have an extensive ventilator, tracheostomy, IV, and Gastrostomy Tube experience. In collaboration with the client and a nurse supervisor, they develop a service plan that fits both your needs and budget. This process helps to create a profile of the caregivers who will best suit your home environment. Your individual service plan can include any combination of aide work and skilled nursing.

Burlee Oaks is a medical and non-medical home healthcare agency offering private duty nursing, personal care assistant, companion services, and waived services up to 24 hours per day, 7 days per week.
